Key Challenges

Assessment Challenges

The client's legitimate refunds were blocked by the Income Tax department due to erroneous tax assessment orders

Financial Distress

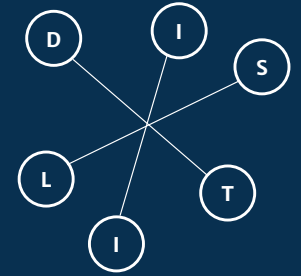

With pending legitimate refund of INR 0.8 Billion, client was facing severe cash flow and working capital issues

Non Co-operation from Tax Authorities

Due to a high volume of erroneous assessment, multiple requests from the client for releasing the refunds were rejected by the tax authorities

The Pierian Edge

Team Pierian partnered very closely with the Client to deliver the following:

- Deep dived into the matter to identify the reasons for high-pitched tax assessment for the client's Indian entity
- Experts at Pierian prepared a strategic road map to make appropriate representation with the tax authorities. Pierian with the help of legal counsel filed a WRIT petition against the inaction of the income tax authorities.
- Refunds were released on priority by the tax department post filing of the WRIT Petition

Expedite resolution of tax litigation
